### CHOOSE THE EASY PAY BUDGET PLAN

Weather, fuel costs, new appliances and a variety of other factors can cause your Florida Public Utilities bill to fluctuate during the year. Easy Pay Budget Plan allows you to stabilize your monthly energy costs by paying the same amount each month — preventing spikes in your bill. With Florida Public Utilities' Easy Pay Budget Plan, you can leave the worrying to us. Our Easy Pay Budget Plan allows you to spread your propane costs over the entire year. All for no additional cost to you, our valued customer.

### HOW IT WORKS

The Easy Pay Budget Plan averages your 12 months of energy cost over 11 months with a 12th payment that will realign your account for the next season. We will periodically review your account during the year to ensure you that your Easy Pay Budget amount is adequate. To become an Easy Pay Budget Plan customer, complete the online form at [FPUC.com/Propane/Programs-services](https://www.fpub.com/Propane/Programs-services) or contact your local office for more information. Easy Pay Budget Plan payments are due by the 15th of each month. All Easy Pay Budget monthly payments must be made to remain on the Easy Pay Budget Plan.
